Email: Batsumibabokamoso@gmail.com

BACKGROUND

Batsumi Ba Bokamoso is a small sole proprietor company based in Meadowlands, Soweto. Its purpose is to educate busy people on how to access tertiary education by outsourcing pupil that are eligible to enter tertiary education and therefore prevent walk-ins, also implement development mechanisms to enrich learners of secondary schools from as early as grade 10 with the relevant knowledge to be able to qualify for tertiary education.

Our primary target is learners from grade 10-12 who have the vision to enter tertiary level, the learners will be outsourced from across the country and neighbouring states (Lesotho, Swaziland, Botswana, Zimbabwe and Namibia). The services will be bringing forth academics excellence, easy access to tertiary.

OUR MISSION

is to introduce a new system of accessing tertiary education by outsourcing pupil that are eligible to enter tertiary education and therefore prevent walk-ins, also implement development mechanisms to enrich learners of secondary schools from as early as grade 10 with the relevant knowledge to be able to qualify for tertiary education. Our primary target is learners from grade 10-12 who have the vision to enter tertiary level, the learners will be outsourced from across the country and neighbouring states (Lesotho, Swaziland, Botswana, Zimbabwe and Namibia). The services will be bringing forth academics excellence, easy access to tertiary.

OUR SERVICES

- Administrative assistance with the Collection of application forms from tertiary institutions throughout the republic and the distribution thereof learners at secondary schools.
- Provision of information relating financial assistance for attendance at tertiary institutions.
- Career guidance sessions.
- Registration with tertiary institutions.
- Work and Learn

OBJECTIVES

Providing support services to the Learners in respect of the provision of information relating to financial assistance for attendance at Tertiary Institutions and the provision of administrative assistance with the collection of application forms from Tertiary Institutions throughout the Republic and the distribution thereof to Learners at Secondary Schools.
